

IAS STAFF MEETING MINUTES

16 March 1973

PRESENT:

G. Allen

STATINTL

1. Mr. Allen announced that [redacted] will be the next IAS representative to the Mid-Career Course.

STATINTL

2. Mr. Allen reported on the Saturday morning meeting of all DDI directors. He stated that the purpose of the meeting was to explore questions regarding a reorientation of intelligence production under the new DCI. There will be an overhaul of the IM's and IR's being put out because the new DCI thinks that they are being disseminated too widely and too often reflect the author's narrow point of view rather than the concerns of the consumer. The new product will be called the Intelligence Brief.

3. Mr. Proctor announced that information from satellite photography may soon be decompartmented so that it can be used in Secret and Top Secret studies. A memorandum addressing this matter and recommending appropriate action is being developed by the DDI for submission to the DCI.

4. There will be an effort to integrate DDO into the intelligence production effort. DDO will be obligated to make available to the DDI all relevant information. The DDI is obligated to seek DDO's views on products.

5. Mr. Allen mentioned that the new DCI would like to see a book written on the theory of intelligence. So if anyone in IAS feels like writing a book. . . or a chapter. . . .

6. Every office in the Agency will be affected by the current reduction in personnel, including IAS. The impact on the DDI and on IAS is not yet determined. The IG's office went from [] people down to []. The IG will be relieved of responsibility for broad surveys and will focus on individual problems.

7. Mr. Allen will be away for two days the week of 26 March and also the first week in April.

8. [] reminded everyone about what to do if you are hijacked. Everyone should anticipate the problem and take appropriate measures prior to travel. He said if anyone wanted a cover story to go down to Security and they will go over one with you.

9. The supply room has been relocated almost completely now. Any requests for more supplies should be put on the clipboard.

10. [] announced there will be no more vault security checks by IAS analysts. The front office evening duty officer will assume responsibility.
